about my talk before the Chamber of Commerce.

It is much too long since we have seen
each other. We must get together soon.

Dear Allen, I have just read in
the "Times" your excellent good speech
on the Economic Choking of Soviet
Russia. It is so clear, and
it is able to enlighten even the most
thick headed -

I am so sorry that you and Anne
have a new anxiety about Joan -

With best wishes - and Congratulations
on this fine article -

Sincerely and affectionately Yrs

Matilda Brownell
